

Insinkerator Food Waste Disposers

Never worry about food scraps or unpleasant kitchen odours again after you install a clean, quiet and convenient *Insinkerator* food waste disposer

InSinkErator® food waste disposers*... clean, quiet and convenient.

Choose the food waste disposer that best suits your existing or new kitchen and enjoy the benefits of a clean, quiet and convenient *Insinkerator* food waste disposer. A great solution for every sink.

Safe for all the family to use, yet powerful enough to ensure long life and reliability. Can be fitted to double or single bowl sinks

Insinkerator food waste disposers are available in a large range of models from Continuous Feed units where you simply turn on the cold tap water, switch on your *Insinkerator* and continuously feed in food scraps or a Batch Feed unit where you load the chamber with food scraps and operate the disposer by inserting the stopper.

Models 65 & 75 have an air switch to activate the disposer at the touch of a button
